MUDDERS TOURNAMENT AND SPRING FROLIC A SUCCESS

The 2006 Mudders Tournament was played under bright sunny skies by a full field. Your winners in the Men's division were Wally Ancker and Jerry Powers, who shot a 57 net score. Al Pitman and his guest from Sodus Bay, Frank West, followed in 2nd place. Steve Clements and Steve Reidmiller took 3rd, while Tim Clements and Larry Peters took home the 4th place prize. Here is an interesting note about Larry Peters: He shot his age, 77, at the Mudders and has shot his age every year since his 73rd birthday.

Wally Ancker and Jerry Powers (right) celebrate their first place win with Al Pitman (left) and his guest, Frank West, who took 2nd.

In the Ladies' Division, your winners were Barb King and Sharon Batcheller posting a 66. Linda Patten and Yvette Green followed in 2nd place. Taking 3rd was the team of Cheryl Marginean and Pat Masters. Congratulations to all our winners.

The many members who attended the Spring Frolic were treated to a delicious dinner of carved roast beef, chicken Marsala and appropriate accompaniments by Steve Dickenson and his staff. The dining room was especially attractive thanks to the efforts of CCC's newest addition, Kirstin Burkhardt. Kirstin joins the CCC staff this year and will wear many hats, including acting as hostess in the dining room or behind the bar. Please welcome Kirstin. The MC for the evening was Matt Wagner. Nice job by all!

AN IMPORTANT NEW COMMITTEE

The Greens and Grounds Committee members are: Matt Wagner-chair, Pete VanValkenburg, Jim Bansbach and Bob MacGregor. If you have a question or comment, please see a committee member.

FROM ERNIE AND HIS CREW

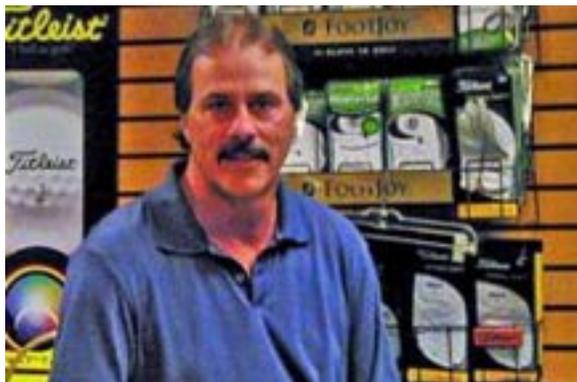

Ernie wants to remind everyone how particularly delicate the grasses are early in the season. You can help keep CCC in the best condition possible. Please use the sand mixture in the carts to repair all divots. Please repair ball marks on the green and place broken tees in the appropriate receptacles. Broken tees can damage the mowing equipment. Please also, dispose of your cigarette and cigar butts appropriately. Ernie and his crew cannot do it all.

MAIL OR E-MAIL?

That is the question . . . Members are now given the opportunity to choose whether to receive the Scotsman via the CCC website or continue to receive a hard copy by mail. If you would rather read the Scotsman on the CCC website, sign up in the Pro Shop. Your name will be removed from a Scotsman mailing list only. A memo will be posted on the CCC website when the Scotsman will be ready for viewing. Those not signing up for electronic Scotsman viewing will continue to receive a hard copy by mail. All members will receive any other mailings from CCC. Current and recent Scotsman will be available for your viewing on the CCC website on a monthly basis. Make it a habit to check the CCC website (www.caledoniacc.com) often.

GETTING TO KNOW YOU

Matt Wagner has achieved Assistant Pro status and will be working with Al in the Pro Shop. After taking an early retirement from Kodak, where Matt was a machinist for 32 years, Matt is following a lifetime dream. During his tenure with Kodak, Matt traveled to China and England installing machinery. Now Matt is on a new path with the goal of attaining Class A Pro status. With his current status, he needs to be employed in the field for 6 months, pass a PGA 36-hole

playability test and then apply for school. Pro school is offered in 3 blocks with classes and exams for each block. Matt's goal is to finish school in 2 years after starting classes this October. The most difficult part is going to be this season because Matt may not play in amateur or pro golf events. But he loves the game and looks forward to working with people around golf. Matt has a son and a daughter and four grandchildren. Welcome Matt to the CCC Pro Shop when you see him.

Tom Wermuth has found a way to combine his two recreational loves. Tom has his house in Caledonia on the market and is

moving to Wheatland on Oatka Creek so he can "fly fish for trout in my back yard."

Tom told this editor, "I fly fish for Atlantic salmon in Quebec's Gaspé region, New Brunswick, Labrador and Newfoundland. I have been chasing salmon up there for 35 years. I have just returned from a trip to Boca Paila, Mexico, where I was fly fishing for Bonefish, Tarpon, Permit and Snook. I

try to get out to Cape Cod for Stripped Bass, Bluefish and Bonito at least once a year. This past December I fished in North Carolina, Eastern Tennessee and Virginia for Trout." Tom does manage some golf in between casts. Tom is the Residential Mortgage Officer for Monroe and Livingston Counties for the Bank of Castile and works out of the Caledonia Branch. Life is good!

PLEASE NOTE - When retrieving an errant ball on hole #6, please do not climb the stone wall. There are open walkways--please use them. Scott Weitzel spent a lot of time and energy rebuilding the wall. It is unique and lovely, please help preserve it.
