FROM ERNIE & YOUR GROUNDS CREW

Please note that insurance regulations and policies prohibit golf carts in the upper lot. Your compliance is necessary and appreciated.

Ernie and his crew are asking everyone to please take special care to repair all divots and ball marks. This is the time of year in which the grass stops growing so any damage to the surfaces will remain into the spring. You are thanked in advance.

FROM YOUR PRO

To members with cart privileges, cart usage runs until October 31st. After that, carts will be available for \$10 for 18 holes and \$6 for 9. Carts and the course will be available as long as the temperature is above 45 degrees.

Even though the season is almost over, look for e-mails that announce the 2008 golf schedule or any special events. E-mails come from Sally Kovatch, the Club Secretary.

Thinking of getting someone special something to help their game for next season? New clubs or a new bag is a great holiday gift. Call Al at home or on his cell and he will be happy to help you play Santa.

KUDOS TO ALL WHO MAKE IT HAPPEN

A very big thank you goes out to Ernie and his entire crew from the entire membership. Thanks to Al Cote and John Cornell for keeping the machines working in tip top shape. Thanks to Joe Gugino, Bob Butler, Larry Reed, Mike Reed, Dick Cowham, Fred Ferguson and Bob Kleinow for mowing. Thanks to Hugh Viggiani for cleaning up the masses of pinecones.

The gardens were particularly beautiful this past season. From the Iris and Poppies on hole #16 to the lovely array of color of the Impatiens near the deck. A big thank you goes to Donna Hitchcock for all her hard work for the membership to enjoy.

Thank you to Steve and his staff for great dinners and special events. The deck is the place for socializing after a round. Wings, chicken fingers, fries, wraps and daily specials helped us celebrate a good round or forget a not-so-good one. Thanks to Laurie Warden, Holly Kroenig, Sara Sherwood, Courtney Bentley, Kris Clements and Emily S. Thanks also to Tom Fisher who cooked the steaks for special dinners and to Mary Ferguson, who not only kept up the clubhouse, but helped behind the bar.

CHANGES AROUND THE COURSE FOR 2008

Some changes are planned for 3 of the holes on our course. These changes open up some options that may be executed during tournaments and will tend to lengthen the course.

- Hole # 2 will see the blue tees moved further up the hill to behind the tees on hole #5.
- New blue tees will also be created by moving back up the hill on hole #11.
- The grass bunker between hole #6 and #7 will become a pond. This will provide better drainage from the slope on #7 towards #6. The pond will also become a water source.
