FROM YOUR PRO

We finally got some summer but it is not too early to think about your gift giving for Christmas. Check out the catalogs and order your gifts from Al. Good prices, great merchandise and you're supporting your Pro.

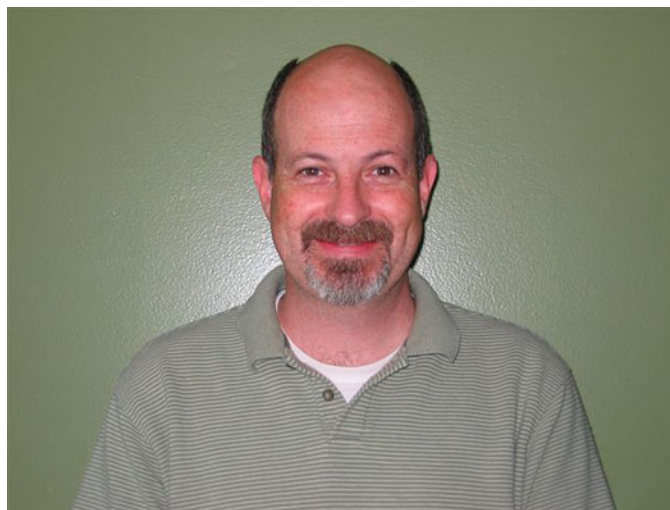

A reminder from Al and your grounds crew to do your part in keeping CCC a great course in great condition. Replace your divots, fill with the sand and seed mixture in your cart and repair all ball marks on the green. Please don't forget to use the seed mixture on the driving range as well.

Al has been very busy giving lessons this season and it is not too late to tune up your skills. There is lots of golf left. See Al in the Pro Shop.
