Thoughts of sympathy go to Dick Clark on the passing of his mother.

On the mend and in our thoughts are:

Well wishes for speedy and successful recoveries to:

- Joe Gugino as he undergoes shoulder surgery

Congratulations to Bonnie and Bob MacGregor on the marriage of their son, Michael, on Thanksgiving weekend.

## FROM YOUR PRO

The Pro Shop closes for the 2009 season on October 31st. Please make sure all accounts are paid in full or spent. The course will remain open for play as weather permits.

Members with seasonal cart plans need to note that the cart plans end on October 31st. Carts will be available for a fee of \$10.

Please make sure that all scores are posted to the Ghin system by Tuesday, October 20th. That is the last day to post in our area. However, Snowbirds need to know that if the area in which they are living this winter is "in season" and the Ghin system is available, scores should be posted. Please call Al for your 7 digit Ghin number and/or obtain a printed card that has that information. Any questions, call Al.

There were no holes-in-one this season at CCC. There is over \$500 in the kitty and it carries over to the 2010 season. If you are not in it, you have until October 20th, the last day of posting, to get in. See Al with your \$3 before the 20th.

The Monday Night League was a huge success and will be repeated next year. Each Monday night will be a shotgun start at 5:45. Al has a few singles looking for a partner. If you are looking for a partner for this fun league, contact Al.

There is a new hood installed on the deck.

If you know of anyone who is not receiving the e-mails that the *Scotsman* is posted or having problems viewing the *Scotsman* on line, please contact Al or Dee Sauerhafer so they can be of assistance.

Check the CCC website for the 2010 schedule, which will appear in late November.

Al is looking for ideas for Pro Shop merchandise for next season. He is open to all ideas from equipment to ladies' clothes. What do you want to see in your Pro Shop? Give it some thought and pass that along to Al. Note to the ladies: what kind of golf clothes do you want to wear? Colors...sizes....fabrics... Let Al know.

Special orders for holiday giving can be given to Al by contacting him at any of the sources noted in this edition of the Scotsman.

## SPECIAL "THANK YOU'S"

Special "thank you" notes need to be sent out the following individuals:

- Donna, who beautifies the course with gardens of flowers.
- Ernie and his crew – Randy, Lynn, Larry, Joe, John, Al, Mike, Dick, and Dave- for getting and keeping the course in great shape
- Dan Weitzel for his consulting with Ernie to help with excellent conditions. Dan will be back in 2010 to continue this task.
- Larry Koss for all his hard work on the new railings on the upper deck.
- Steve and his staff for taking such great care of our culinary needs.
- John and Sally, without whose assistance there would be no *Scotsman*.
- Al Wallace, Matt Wagner and Jack Foote for all they do to run and assist with tournaments and attend expertly to the members' needs.

## FROM THE GROUNDS CREW

Ernie reports that more trees will be cut down or trimmed. Of course, we all have a favorite we would not miss.

The 90 degree rule worked so well for the course in 2009 that it will again be used in 2010.

Please note and remember that **NO** carts are allowed in the upper parking lot. This is a directive from the insurance company and must be followed. If you have any questions concerning this policy, see Bob Weitzel.
