NO. 1 • MAY-JUNE 2020

THE NEWSLETTER OF THE CALEDONIA COUNTRY CLUB

TANYA WILKIE, *Editor*

WELCOME BACK!

We are fortunate the golf course was able to open for membership play on April 1, amid the ongoing COVID-19 pandemic. During these unprecedented times, it is critical we all adhere to the guidelines set forth by Governor Cuomo and the CDC to protect our staff and membership. The reopening of restaurants and food service is scheduled for Phase 3, hopefully starting June 12th. We all need to be mindful of continuing social distancing, covering our faces, and practicing good hand hygiene.

By being smart, respectful, united, and disciplined, we can emerge from this crisis CCC strong.

A special thank you to Jason, Hollie, Chris, Tom, Fred, Ernie and Dan along with their staff for their devoted time and efforts in helping our Club open this season.

IN MEMORY

It is with great regret we acknowledge the passing of George Ukshe's wife, Geraldine Ukshe, who died tragically on February 26, 2020.

We also wish to recognize the passing of Bob Nothnagle, longtime CCC member and avid golfer, who passed away peacefully surrounded by his family on January 30, 2020 and Bill Wood who died December 21, 2019 who could often be found driving his Corvette convertible to CCC for morning golf. Our thoughts and prayers are with family and friends.

JASON PARKER, PRO NEWS

Thank you for your cooperation in following these guidelines from NYSGA to reduce potential transmission of COVID-19 until further notice:

- Tee times are required. They will be spaced out approximately 10 minutes apart.
- Players should remain in their cars until no more than 15 minutes before their tee time; at which time they can check-in and proceed to the 1st tee. Players can use the driving range to warm up, but not for extended practice sessions.
 - No gathering before or after play is permitted.
 - The Pro Shop, Clubhouse, Bag Storage and Men's Locker Rooms are closed until further notice.
 - Merchandise and carts may be charged through the Proshop.
 - Please bring your own water or purchase from the bar.
 - Bathrooms near the Proshop will be open during normal business hours.

Please follow these NYSGA golf course rules:

- Golfers must maintain a distance of 6 feet from other golfers and staff
- Golf bags/pull carts should be brought by the player and not handled by anyone except the player.
- Do not touch flagsticks. An insert is in each cup so the ball will be holed but will not go all the way into the cup.
- There will be no rakes in the bunkers. Please smooth the sand with your foot. There will be no ball washers on the course. Please bring a wet towel to clean your ball.
 - Group play of no more than four is permitted.
 - Only one person per golf cart allowed unless the cart is shared by family members residing in the same home. After your round, please dispose of any trash in your cart.
 - Post your score on your mobile device or home computer. If you need help, please contact me.

As soon as new information is available, I will notify the membership.

DANIEL HARTFORD, SUPERINTENDENT NEWS

We've been working diligently to provide great golf course conditions this year. We aereated all of the fairways last fall & overseeded them with Penn Trio bent grass. This spring we've applied fertilizer as well as insect & weed control to the fairways. The fairways should definitely be improving in our quest to provide top notch conditions. We've been working hard to not only give a great country club experience but to also give a stress reliever in these trying times.

MEN'S LEAGUE

The "Dirty Dozen" Men's League started play on May 21. It was an absolutely beautiful night to play. The league consists of 24 2-man teams and runs through mid-September.

I would like to thank Jim Marco, Aaron Philp and Jim Allen for the hard work that goes into running the league.
