Congrats to Charlie Carson for his #16 hole-in-one on May 29th.

## JUNIOR GOLF NEWS

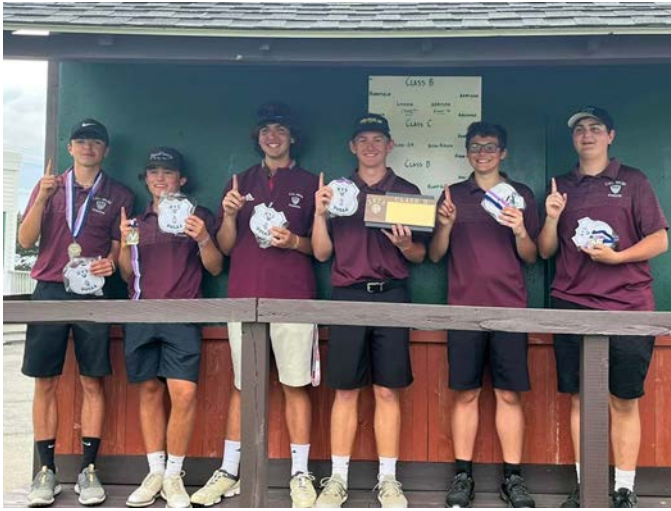

We are pleased to announce we have received a \$1,000 donation for the CCC Junior Golf Program. The member donated the money so other children would be able to experience the joy their grandson felt when he first learned how to play golf through the Junior Program at CCC.

Jason will be organizing a FREE Junior Golf Program. You do not need to be a member to play. The Junior Golf League is for Juniors 12 years and up and will play every Thursday at 10:00 AM starting July 21 through August 25.

There will also be a Junior Golf Camp for children 6 to 11 years of age. Jason will provide instruction and arrange group pairings for both groups. Awards will be presented at the end of the season.

Jane Baker and Tim McArdle will be assisting with recruiting Juniors and member volunteers to support this wonderful program. Thank you to all the membership who have contributed to the Junior Golf Program.
